## WHITES

### **112. 2019 Pouilly-Fuissé, Vieilles Vignes, Collovray et Terrier, France** **£55.00**

Jean-Luc Terrier and Christian Collvray were recently hailed as Burgundy's Winemakers of the Year by the renowned Gault-Millau guide and are better known for their exemplary white Burgundies, producing an outstanding range of wines from 30-year-old vines on slopes 500 metres above sea level south of Limoux in the Languedoc region. The Vieilles Vignes (old vine) Pouilly Fuissé is a deep gold wine that has an intense brioche aroma with hints of stone fruits and flowers, and a restraint that hints at its minerality. It has a complex palate of green apples, with hints of citrus, creamy oak notes, and a mineral austerity that perseveres into an impressive finish. **TREAT YOURSELF!**

### **114. 2020 Sancerre, Jean-Max Roger, France** **£49.00**

The Roger family descends from a long line of winegrowers from the village of Bué, which is in the heart of Sancerre, dating back to the early 1700's. Nowadays their winery is state of the art, producing high quality Sauvignon Blanc wines such as Sancerre, Menetou- Salon and Pouilly Fuimé.

*This Sancerre is a fantastic example of pure Sauvignon Blanc's structure, elegance and finesse. It has a beautiful pale gold colour, it is complex and intense with fresh notes of citrus on the nose. It has a lovely, fresh mineral taste on the palate. Although it's a vegan wine-try pairing with seafood and rich goat's cheese.* **TREAT YOURSELF!**

### **119. 2015 Chablis 1er Cru Chablis, Domaine Jean-Marie Naulin, Burgundy** **£65.00**

Burgundy itself has a wine-making history which stretches back at least two thousand years, and as such, it comes as no surprise that the wineries which fill the dozens of controlled appellations of the region rely heavily on traditional methods and techniques when it comes to producing their famous wines. This small winery on the right bank makes no exception!

The wine is lively and full-flavoured. It is well- rounded with medium, but pleasant acidity and wonderfully rich colour. It has firm, flinty underlying minerality and hints of apple, pear, lime and vanilla. Exemplary Chablis.

**TREAT YOURSELF!**

### **125. 1018 Meursault Vieilles Vignes, Vincent Girardin, France** **£95.00**

The Girardin family was based in Santenay, In the Cote de Beaune, for three Centuries until Vincent Girardin, dynamic grower-turned-negociant moved from Santenay to large premises in Meursault a few years ago, and quality has moved up a gear with him. Girardin is now doing the opposite of many producers: reducing volume and raising standard. He refuses to buy from growers who use insecticides or herbicides, part of his own move towards a biodynamic approach.

*100% dry and full-bodied fine Chardonnay. Wonderfully buttery and complex. The wine displays clear, bright colour with plenty of fruity aromas. Savour the citrus ripe apple floral notes and a hint of toasted hazelnuts.* **TREAT YOURSELF!**

## REDS

### **211. 2015/16 Château Musar, Gaston Hochar's, Bekka Valley, Lebanon** **£85.00**

Chateau Musar is quite possibly the only winery in Asia that is a household name.

*The vineyards are located in the Bekaa Valley, which is actually more of a plateau than a valley, but its elevated position, reaching 1,000 metres in some places means that the heat is not nearly as oppressive as one would initially imagine.*

Chateau Musar is a blend of Cabernet Sauvignon, Cinsault and Carignan. The nose is much more dominated by the floral, spice and red fruit components of the Cinsault and Carignan. However, the tannins are all Cabernet and so is the powerful finish which lingers with all the beautiful hallmarks of this wine: leather, incense, balsam, wood smoke, cedar wood, and undergrowth.

**TREAT YOURSELF!**

### **213. 2017 Château Cissac, Haut-Médoc, Bordeaux, France** **£69.00**

In 1940 Louis Vialard inherited the property set about the task of restoring the vineyards and the outbuildings as well as the family home, taking advantage of the fantastic area of its location-it neighbours famous wine producers as Margaux, Pauillac and Saint-Julien.

*This wine is a beautiful mix of Cabernet Sauvignon 75%, Merlot 20%, Petit Verdot 5%, also known as cru Bourgeois. It has earthy, dried-floral and slightly spicy oak aromas, red berries with a hint of plums. It is clear, not particularly deep with elegantly juicy fruit on the palate, offering delicious, delicate tannins.* **TREAT YOURSELF!**
